Under Resolution
it will be seen
that a remission
of assessment has
been granted on
the application of a
Pensioner. The facts
are not clearly
stated. If the duties
of the house bore a
separate No & is
separately occupied
& rented I dont
see why the
assessment should be
remitted. There may
be several instances
of this kind and
the concession in
the present case
would become a
precedent. I think
the Govt may be
called upon to
reconsider the circumstances
under which the remission
was requested.

Requesting the President to report more fully the circumstances under which remission of assessment has been granted to persons under

Form No. 9.

It is not clear whether the portion of the premises which was assessed at Rs 1/8 was a "Separate" portion. If this portion is vacant since a year the remission can only be granted temporarily i.e during the time the building remains unoccupied. Permanent remission of assessment ought not, I think, to have been granted

President of the Cantt: Improvement

Bangalore

Sir

I beg you would be pleased to submit this petition before the members with your kind support

The House and Premises No 52 Binnygade Road - Shoolay formerly belonged to the firm Pontin & Co who by their business which they transacted were well able to pay the assessment named Rupees 9 half yearly, but since this house &c &c were purchased by me the Board has levied an additional sum of 1—8—, because some portion of the said house was protempore for five months occupied by the Revenue Survey Department and it is alone a year that this Department has vacated it, and notwithstanding this Continues.

I pray therefore that, as this portion of the said house which is set apart for

rent is but seldom not altog
ther occupied throughout the year, and
as the greater part of the outer premises
is dilapidated, so that I am quite unable
from my straitened means - being a
Pensioner - to repair the same, I pray the
Members would kindly remit and remove
the additional sum, as well as reduce
the Municipal assessment - because I
find it difficult to support myself and
large family from my Pension especially
as I have suffered the most poignant
and painful reverses recently from the death of my stepson & child from cholera &
the loss
of five horses which has crippled my
efforts to obtain a moderate livelihood
leaving me but one horse and Coach and
I myself having been attacked with
Cholera recently has reduced my strength
so that I consider these losses irrecoverable
and do therefore pronounce myself a
Pauper - These causes I solicit will
induce the Members to grant me the
indulgence I seek to obtain.

I am Gentlemen
Your Obedient Servant

Thos J. Jude
